

Company Information — RetailHub Technologies Pvt. Ltd.

Document Type: Company Handbook **Applicable To:** Public reference document for customers, partners, and employees **Last Updated:** July 2026 **Policy Owner:** Corporate Communications Department

1. Company Overview

RetailHub Technologies Pvt. Ltd. is an Indian e-commerce and retail technology company headquartered in Bengaluru, Karnataka. The company operates a multi-category online marketplace spanning Electronics, Laptops, Smartphones, Home Appliances, Furniture, Fashion, Sports, Beauty, and Books, serving customers across more than 400 cities in India as well as select international markets. RetailHub combines a first-party retail operation with a curated third-party seller marketplace, supported by an in-house logistics network and, increasingly, AI-powered personalization and recommendation systems.

RetailHub operates primarily through its mobile application and website (retailhub.in), supplemented by a small number of experience stores in major metros where customers can view select Electronics and Appliances before purchase.

2. Mission

To make quality products accessible, affordable, and reliably delivered to every Indian household, while building a retail experience that customers trust for its transparency, speed, and after-sales support.

3. Vision

To become India's most trusted retail technology platform by 2030 — recognized not only for product variety and price, but for how intelligently we understand and serve each customer's individual needs through data-driven personalization and dependable service.

4. Core Values

- **Customer First:** Every policy, product decision, and process is evaluated against a single question — does this genuinely serve the customer?
- **Integrity in Commerce:** Transparent pricing, honest product listings, and fair resolution of disputes, without hidden charges or misleading claims.
- **Operational Excellence:** Continuous investment in logistics, inventory accuracy, and fulfillment speed.
- **Innovation with Purpose:** Technology (including AI-driven recommendations) is deployed to genuinely improve the shopping experience, not merely to increase transaction volume.

- **Respect for People:** Fair treatment of employees, delivery partners, and marketplace sellers is treated as core to the business, not an afterthought.

5. History

RetailHub Technologies Pvt. Ltd. was incorporated in **2019** in Bengaluru with an initial focus on Electronics and Mobile accessories, operating out of a single fulfillment center. Over the following years, the company expanded its category footprint into Fashion, Home Appliances, Furniture, and Beauty, while building out a pan-India logistics network.

- **2019:** Company founded; launch of the RetailHub website with an Electronics-only catalog.
- **2020:** Mobile app launch; expansion into Fashion and Beauty categories.
- **2021:** Introduction of the RetailHub marketplace model, onboarding third-party sellers.
- **2022:** Launch of Same-Day Delivery in Bengaluru and Mumbai; opening of first experience store.
- **2023:** Expansion into Furniture and large Home Appliances with installation services.
- **2024:** Introduction of the RetailHub Loyalty Program (Bronze/Silver/Gold/Platinum tiers).
- **2025:** Launch of international shipping to five countries; rollout of AI-powered product recommendations.
- **2026:** Continued investment in AI-driven customer support and retrieval-augmented shopping assistance across the platform.

6. Business Model

RetailHub operates a **hybrid retail model**:

1. **First-Party Retail:** RetailHub purchases inventory directly from brands and manufacturers, stores it in company-owned fulfillment centers, and sells it directly to consumers, primarily in Electronics, Appliances, and Furniture.
2. **Marketplace Model:** Verified third-party sellers list and fulfill their own products through the RetailHub platform, subject to quality, pricing, and service-level standards enforced through our Seller Portal.
3. **Value-Added Services:** Extended warranty plans, installation services (for Appliances and Furniture), and RetailHub Prime membership generate additional recurring revenue beyond product sales.

7. Store Locations

While RetailHub is primarily an online platform, the company operates experience stores in select cities where customers can view and test select products before online purchase:

City	Store Type	Categories Available
Bengaluru	Flagship Experience Store	Electronics, Laptops, Smartphones, Appliances
Mumbai	Experience Store	Electronics, Fashion
Delhi NCR	Experience Store	Electronics, Appliances, Furniture
Hyderabad	Experience Store	Electronics, Smartphones

Purchases made in-store are fulfilled and delivered through the same logistics and warranty systems as online orders, ensuring consistency across channels.

8. Business Hours

- **Online Platform:** Available 24/7 for browsing and order placement.
- **Experience Stores:** Open 10:00 AM – 9:00 PM, all days, including public holidays (with reduced hours on major festivals).
- **Customer Support (Phone/Chat):** 9:00 AM – 9:00 PM, all days; in-app chat support available 24/7 for order-related queries.
- **Corporate Office:** 9:30 AM – 6:30 PM, Monday to Friday (excluding public holidays).

9. Customer Support Channels

Channel	Availability	Best For
In-app Chat	24/7	Order status, quick queries
Phone Support	9 AM – 9 PM, all days	Complex issues, urgent escalations
Email	support@retailhub.in	Detailed queries, documentation-heavy issues
Social Media (X, Instagram)	9 AM – 9 PM	Public queries, general feedback
Experience Store Desk	Store hours	In-person product and order support

10. Privacy Policy Summary

RetailHub collects customer data — including contact details, order history, delivery addresses, and browsing behavior — strictly to fulfill orders, provide customer support, and personalize the shopping experience through our recommendation systems. Data is shared only with logistics and payment partners necessary to complete transactions and is never sold to third-party advertisers. Customers can request a copy of their data or account deletion at any time through Account Settings > Privacy. Full details are available in our standalone Privacy Policy document.

11. Payment Methods

RetailHub accepts the following payment methods across the platform:

- UPI (Google Pay, PhonePe, Paytm, BHIM, and other UPI apps)
- Credit Cards and Debit Cards (Visa, Mastercard, RuPay, American Express)
- Net Banking (all major Indian banks)
- Cash on Delivery (COD), available on eligible orders under ₹50,000
- RetailHub Wallet (for refunds, gift card balances, and stored credit)
- No-Cost EMI on select bank cards for purchases above ₹5,000

12. Membership Program — RetailHub Prime

RetailHub Prime is a paid annual membership priced at ₹999/year, offering:

- Free Express Delivery on all eligible orders
- Early access to sale events (24 hours before public launch)
- Exclusive member-only discounts and coupons
- Extended return windows (+5 days) across most categories
- Priority customer support queue

Prime membership is separate from — and complements — the loyalty tier system described below, which is based on cumulative spend rather than a paid subscription.

13. Loyalty Levels

RetailHub's loyalty program automatically assigns customers to a tier based on their cumulative spend over a rolling 12-month period:

Loyalty Tier	Annual Spend Threshold	Key Benefits
Bronze	Up to ₹15,000	Standard delivery, standard support queue
Silver	₹15,000 – ₹50,000	5% birthday discount, early sale notifications
Gold	₹50,000 – ₹1,00,000	Free standard delivery, priority support, exclusive coupons
Platinum	Above ₹1,00,000	Free Express Delivery, dedicated support line, early access to new launches, relationship manager for high-value purchases

Loyalty tiers are reassessed on a rolling basis; customers are notified in advance of any tier upgrade or downgrade based on recent spend patterns.

14. Order Workflow

1. **Order Placement:** Customer selects products, applies coupons/gift cards, and confirms payment.
2. **Order Confirmation:** System validates payment and inventory; confirmation sent via SMS/email/app notification.
3. **Packing:** Order is picked and packed at the nearest fulfillment center with available stock.
4. **Dispatch:** Order handed to the logistics partner; tracking information generated.
5. **In-Transit:** Real-time tracking updates as the shipment moves through the courier network.
6. **Out for Delivery:** Final-mile delivery partner assigned; delivery window communicated.
7. **Delivered:** Order marked complete; customer prompted to rate the product after a few days.
8. **Post-Delivery Support:** Return, exchange, or warranty claims can be initiated as applicable.

15. Complaint Resolution Process

RetailHub follows a structured, time-bound complaint resolution process:

1. **Initial Contact:** Customer raises an issue via chat, phone, or email; a ticket ID is generated.
2. **First Response:** Support agent responds within 2 hours (chat) or 24 hours (email).
3. **Investigation:** For issues requiring verification (damage claims, lost packages, payment disputes), the relevant internal team investigates, typically within 2–5 business days.
4. **Resolution:** A resolution — refund, replacement, repair, or explanation — is communicated to the customer with clear next steps.
5. **Follow-Up:** Customers receive a satisfaction survey after ticket closure; unresolved concerns can be reopened within 7 days without creating a new ticket.

16. Escalation Matrix

Level	Handled By	Typical Response Time	Applicable For
Level 1	Frontline Support Agent	Within 2 hours (chat)	Standard queries, order status, basic troubleshooting
Level 2	Senior Support Specialist	Within 24 hours	Unresolved Level 1 tickets, complex refund/warranty cases
Level 3	Category Support Lead	Within 48 hours	High-value disputes, repeated unresolved issues
Level 4	Customer Experience Manager	Within 72 hours	Escalations involving legal, safety, or regulatory concerns

Customers can request escalation directly by replying "Escalate" within any active support ticket thread, or by explicitly asking to speak with a supervisor during a chat or call.

17. Business Terms

- All prices displayed on the platform are in Indian Rupees (INR) and inclusive of applicable GST, unless stated otherwise for international orders.
- RetailHub reserves the right to cancel orders in cases of pricing errors, fraud suspicion, or inventory discrepancies, with a full refund issued in such cases.
- Marketplace sellers are contractually bound to RetailHub's service-level agreements covering dispatch time, product authenticity, and customer service standards.
- Business/bulk account holders operate under separate commercial terms, including negotiated pricing and dedicated invoicing cycles.

18. Holiday Schedule

RetailHub's logistics and customer support operations observe modified schedules on the following national holidays: Republic Day (26 January), Independence Day (15 August), Gandhi Jayanti (2 October), Diwali, and Holi. On these dates:

- Standard and Express deliveries are paused and resume the next business day.
- Same-Day Delivery is unavailable.
- In-app chat support remains available with reduced staffing; phone support hours may be shortened and are announced in advance via the app.
- Experience stores generally remain open with adjusted hours during festival periods, given increased footfall.
