

Return Policy — RetailHub Technologies Pvt. Ltd.

Document Type: Customer Policy Document **Applicable To:** All orders placed on the RetailHub Technologies mobile app and website (retailhub.in) **Last Updated:** July 2026 **Policy Owner:** Customer Experience & Returns Department

1. Overview

At RetailHub Technologies Pvt. Ltd., we want every purchase — whether it's a laptop, a smartwatch, a kitchen appliance, or a pair of running shoes — to meet your expectations. This Return Policy explains when, how, and under what conditions you can return a product purchased through RetailHub, and what happens after you initiate a return. It applies uniformly across all product categories, including Electronics, Laptops, Smartphones, Home Appliances, Furniture, Fashion, Sports, Beauty, and Books, though return windows and conditions vary by category as detailed below.

2. Eligibility for Returns

To be eligible for a return, an order must meet the following conditions:

- The product must be unused, unwashed, and in its original condition.
- All original tags, labels, and brand packaging must be intact.
- All accessories, freebies, manuals, warranty cards, and chargers included in the original box must be returned along with the product.
- The product must not show signs of physical damage caused after delivery.
- The return request must be raised within the applicable return window (see Section 3).
- For Electronics and Appliances, the original invoice or order confirmation must be presented at the time of pickup.

Note: Products purchased during clearance sales or marked "Final Sale" at checkout are not eligible for return unless they arrive damaged or defective.

3. Return Window by Category

The return window begins from the date of delivery, not the date of order placement.

Category	Return Window	Condition Requirement
Electronics (Headphones, Speakers, Power Banks)	7 days	Unopened or defect-only
Laptops	7 days	Original packaging, no physical damage
Smartphones	7 days	Original box, IMEI unchanged, no activation issues
Home Appliances	7 days	Unused, original packaging
Furniture	10 days	Unassembled or professionally disassembled
Fashion (Clothing, Footwear, Accessories)	15 days	Unworn, tags attached
Sports Equipment	10 days	Unused, original packaging
Beauty Products	7 days	Unopened, seal intact
Books	15 days	No markings, undamaged spine
Groceries	Not returnable	Perishable

4. Non-Returnable Items

Certain items cannot be returned due to hygiene, safety, or customization concerns:

- Opened or used beauty and personal care products (lipsticks, skincare, hair oils)
- Innerwear, socks, and swimwear
- Customized or personalized furniture and fashion items
- Grocery and perishable food items
- Digital gift cards and downloadable software licenses
- Products explicitly marked "Non-Returnable" on the product page
- SIM cards and activated prepaid recharge products

5. Damaged or Defective Products

If a product arrives physically damaged, has a manufacturing defect, or is Dead on Arrival (DOA):

1. Do not use or install the product.
2. Report the issue within **48 hours of delivery** through the "Report Issue" option under My Orders.
3. Upload clear photos or a short video of the damage, including the outer packaging and shipping label.
4. Our Quality Assurance team reviews the claim within 24–48 hours.
5. Approved claims qualify for a **free replacement or full refund**, at the customer's choice, with no return shipping charge.

Warning: Damage claims reported after 48 hours may be evaluated under the standard warranty process instead of the Return Policy. See our Warranty Policy document for details on manufacturer warranty claims.

6. Incorrect Product Delivered

If you receive a product different from what you ordered (wrong size, wrong color, wrong item entirely):

- Raise a request under "Wrong Item Received" within 3 days of delivery.
- No additional charges apply for exchange or return.
- RetailHub arranges reverse pickup, typically within 2–4 business days depending on your pin code.
- The correct item is dispatched only after the incorrect item is picked up, unless you are in a serviceable zone eligible for **doorstep exchange**, where both actions happen simultaneously.

7. Return Process

1. Go to **My Orders** and select the order you wish to return.
2. Choose a reason for return from the dropdown (size issue, defective, changed mind, wrong item, etc.).
3. Select whether you want a **refund** or an **exchange**.
4. Schedule a pickup slot — most cities offer next-day pickup.
5. Hand over the product to the delivery partner in its original packaging.
6. Track the return status under My Orders > Return Status.

Example

A customer in Pune orders a pair of running shoes on July 1st. The shoes arrive on July 4th but are half a size too small. The customer initiates a return on July 6th, selects "Exchange for different size," and schedules a pickup for July 7th. The replacement pair is dispatched on July 9th after quality inspection of the returned item.

8. Refund Process

Refunds are processed only after the returned product passes a quality check at our fulfillment center.

- **Prepaid orders:** Refunded to the original payment method (UPI, Credit Card, Debit Card, or Net Banking).
- **Cash on Delivery (COD) orders:** Refunded via bank transfer or RetailHub Wallet credit, based on customer preference.
- **RetailHub Wallet refunds** reflect instantly and can be used for future purchases.
- **Bank/Card refunds** typically take 5–7 business days to reflect, depending on the issuing bank.

Refund Mode	Processing Time
RetailHub Wallet	Instant
UPI	2–4 business days
Debit/Credit Card	5–7 business days
Net Banking	3–5 business days
COD Bank Transfer	6–8 business days

9. Exchange Policy

Exchanges are available for size, color, or model variant changes within the same return window applicable to that category.

- Exchanges are subject to stock availability of the requested variant.
- If the exchanged item has a price difference, customers pay the difference or receive a refund of the difference accordingly.
- Only one exchange is permitted per item; a second issue with the same item is handled as a standard return or warranty claim.

10. Return Shipping

- Return pickup is **free of cost** for defective, damaged, or incorrect items.
- For "changed my mind" or size/fit-related returns, a nominal reverse shipping fee of ₹49–₹99 may apply depending on product weight and category, deducted from the refund amount.
- Furniture and large appliance returns may require the customer to keep the original packaging for safe pickup; RetailHub's logistics partner will assist with repackaging where possible.
- Customers in remote or non-serviceable pin codes may be asked to self-ship the product to the nearest RetailHub fulfillment center, with shipping costs reimbursed upon approval.

11. Processing Times

Stage	Typical Duration
Return request approval	Within 24 hours
Pickup scheduling	1–4 business days
Quality check after pickup	2–3 business days
Refund initiation after QC	1 business day
Total return-to-refund cycle	7–12 business days

12. Exceptions

- During high-demand sale periods (such as festive sales), return windows for Fashion and Electronics may be temporarily extended by 5 additional days, as communicated on the product page.
- Bulk orders (10+ units of the same product) placed by business accounts follow a separate B2B return policy and are not covered by this document.
- Products purchased using promotional coupons may have adjusted refund amounts if the coupon required a minimum order value that is no longer met after the return.

13. Frequently Asked Questions

Q: Can I return a product without the original box? A: For most categories, original packaging is required. Electronics, Laptops, and Smartphones strictly require original boxes for return acceptance. Fashion items can sometimes be returned without the shipping box but must retain product tags.

Q: What if I miss the return window by one or two days? A: Contact Customer Support; exceptions are evaluated case-by-case, particularly if the delay was due to a failed pickup attempt by our logistics partner.

Q: Can I return only part of a multi-item order? A: Yes, each item in an order can be returned independently through My Orders.

Q: Do I need to pack the product myself? A: For small items, yes. For furniture and large appliances, our delivery partner assists with repackaging during pickup.

Q: Will I get a full refund if I used a discount coupon? A: You will be refunded the amount actually paid. If the coupon discount was tied to a minimum cart value, and the return brings the order below that threshold, the coupon value may be adjusted from the refund.

Q: Can I exchange instead of returning for a refund? A: Yes, exchange is offered wherever stock is available, and is generally faster than a refund-and-repurchase cycle.

14. Customer Support

For any return-related queries, RetailHub customers can reach out via:

- **In-app Chat Support:** Available 24/7 under Help Center
- **Phone Support:** 1800-102-4040 (Toll-free, 9 AM – 9 PM, all days)
- **Email:** returns@retailhub.in
- **Support Ticket:** Raise a ticket via My Orders > Need Help

Our average first-response time for return-related tickets is under 2 hours during business hours.
