

Shipping Policy — RetailHub Technologies Pvt. Ltd.

Document Type: Customer Policy Document **Applicable To:** All domestic and international orders placed on retailhub.in **Last Updated:** July 2026 **Policy Owner:** Logistics & Fulfillment Department

1. Overview

RetailHub Technologies Pvt. Ltd. partners with a network of logistics providers to deliver products across India and to select international destinations. This policy outlines shipping methods, timelines, charges, and how we handle delays, lost, or damaged shipments. Delivery timelines vary by product category, destination pin code, and chosen shipping method.

2. Shipping Methods

RetailHub offers four shipping methods, availability of which depends on your delivery pin code and the product ordered:

- **Standard Delivery** — default option for most orders
- **Express Delivery** — faster delivery for an additional fee, available in serviceable cities
- **Same-Day Delivery** — available only in select metro areas for eligible products
- **International Shipping** — for customers ordering from outside India

The available methods are shown at checkout based on your delivery address and cart contents.

3. Delivery Timelines

Shipping Method	Metro Cities	Tier 2 Cities	Rural/Remote Areas
Standard Delivery	2–4 business days	4–6 business days	6–9 business days
Express Delivery	1–2 business days	2–3 business days	Not available
Same-Day Delivery	Same day (order before 12 PM)	Not available	Not available

Delivery timelines are calculated in business days, excluding Sundays and national holidays, and begin from the date the order is dispatched from our fulfillment center, not the date of order placement.

Same-Day Delivery

Same-Day Delivery is currently available in Bengaluru, Mumbai, Delhi NCR, Hyderabad, Chennai, and Pune for a curated selection of Electronics, Beauty, and Books products stocked in local fulfillment hubs. Orders must be placed before 12:00 PM to qualify, and a real-time delivery slot is shown at checkout.

Express Delivery

Express Delivery is available for most Electronics, Fashion, and Beauty products across 60+ serviceable cities. Furniture and large Home Appliances are generally excluded from Express Delivery due to specialized handling and installation requirements.

Standard Delivery

Standard Delivery is our default, most economical shipping option, available to virtually all serviceable pin codes across India, including rural and remote regions, subject to courier network reach.

4. International Shipping

RetailHub currently ships to select international destinations including the United States, United Kingdom, United Arab Emirates, Singapore, and Australia for a curated catalog of Fashion, Beauty, and Books products.

- International delivery timelines range from **10 to 21 business days**, depending on destination and customs clearance.
- **Customs duties and import taxes** are the responsibility of the recipient and are not included in the product price or shipping charge shown at checkout.
- Electronics, Home Appliances, and Furniture are currently **not eligible** for international shipping due to regulatory and certification restrictions in destination countries.
- International orders are shipped via tracked courier partners and require a signature upon delivery.

***Note:** International shipping charges are calculated based on weight, dimensions, and destination, and are displayed at checkout before payment confirmation.*

5. Shipping Charges

Order Value	Standard Delivery	Express Delivery
Below ₹499	₹49	₹129
₹499 – ₹999	Free	₹99
Above ₹999	Free	₹79

Same-Day Delivery carries a flat fee of ₹149, regardless of order value, due to the operational cost of expedited local dispatch.

Free Shipping Eligibility

- Orders above **₹499** automatically qualify for free Standard Delivery, shown at checkout.
- RetailHub Prime members (see our Company Information document for membership details) receive **free Express Delivery** on all eligible orders regardless of cart value.

- Furniture and large Appliances above ₹5,000 always qualify for free Standard Delivery, given their higher price point, though installation charges may apply separately and are disclosed on the product page.

6. Order Tracking

Once an order is dispatched, customers receive:

- An SMS and email notification with a tracking link
- Real-time tracking status under **My Orders > Track Order**
- Estimated delivery date, updated dynamically based on courier scan events

Tracking statuses include: Order Confirmed, Packed, Shipped, Out for Delivery, and Delivered. For Same-Day Delivery orders, a live delivery partner location map is available within the app during the final delivery leg.

7. Delayed Shipments

Occasionally, shipments may be delayed due to weather disruptions, courier network congestion, regional restrictions, or high order volumes during sale events.

- If a shipment is delayed beyond the estimated delivery window, customers are proactively notified via app notification and email.
- Customers can request a delay update anytime through **My Orders > Track Order > Contact Support**.
- If a Same-Day or Express order is delayed beyond the committed window, the shipping fee for that order is **automatically refunded** to the customer's RetailHub Wallet.

8. Lost Packages

If a package shows as "Delivered" but the customer has not received it, or tracking has been inactive for more than 3 business days:

1. Raise a "Package Not Received" request under My Orders within 7 days of the expected delivery date.
2. RetailHub initiates an investigation with the logistics partner, typically resolved within 5–7 business days.
3. If the package is confirmed lost in transit, customers receive a **full refund or a free replacement**, based on stock availability and preference.

9. Damaged Shipments

If the outer packaging or product appears damaged upon delivery:

- Customers are encouraged to record an unboxing video, though it is not mandatory for claim approval.
- Report the damage within 48 hours through **My Orders > Report Issue**.
- Approved damage claims qualify for free replacement or refund, consistent with our Return Policy's Damaged Product provisions.

Warning: Do not accept a delivery if the outer packaging shows visible signs of tampering or crushing. You may refuse delivery at the door, and the shipment will be returned to the fulfillment center automatically at no cost to you.

10. Address Modification

- Delivery address can be changed **before dispatch** through My Orders > Edit Address, provided the order status still shows "Order Confirmed" or "Packed."
- Once an order status changes to "Shipped," address modification is not possible; customers may instead choose to refuse delivery and place a new order.
- For Furniture and large Appliances requiring installation, address changes must be requested at least 24 hours before the scheduled delivery slot.

11. Frequently Asked Questions

Q: Can I choose a specific delivery time slot? A: For Same-Day Delivery and select metro Express deliveries, a 2-hour delivery slot can be chosen at checkout. Standard Delivery does not currently support time-slot selection.

Q: Why is Express Delivery unavailable for my furniture order? A: Furniture and large appliances require specialized handling, and in many cases, installation by trained personnel, which is only supported through Standard Delivery timelines.

Q: I placed multiple items in one order — will they arrive together? A: Not always. Items fulfilled from different warehouses may arrive in separate shipments with independent tracking numbers, each visible under My Orders.

Q: Does RetailHub deliver on public holidays? A: Standard and Express deliveries generally pause on major national holidays but resume the next business day. Same-Day Delivery operates on most regional holidays except designated no-delivery days communicated in advance.

Q: What if no one is available to receive the delivery? A: Our delivery partner attempts delivery up to 3 times over 3 consecutive days. After the third failed attempt, the order is returned to the nearest fulfillment center, and the customer is notified to reschedule or request a refund.

Q: Is COD available for all shipping methods? A: Cash on Delivery is available for Standard and Express Delivery on eligible orders below ₹50,000. Same-Day and International shipments require prepaid payment only.
