

Warranty Policy — RetailHub Technologies Pvt. Ltd.

Document Type: Customer Policy Document **Applicable To:** All warranty-eligible products sold on retailhub.in **Last Updated:** July 2026 **Policy Owner:** Product Quality & Warranty Department

1. Overview

RetailHub Technologies Pvt. Ltd. facilitates manufacturer and seller warranties across the products listed on our platform. This document explains what is covered, for how long, what voids a warranty, and how to file a claim. Warranty terms vary significantly by category — a smartwatch and a sofa are covered very differently — so please refer to the specific section relevant to your product.

Warranty coverage is separate from our Return Policy. Once the return window has closed, product issues are handled exclusively through warranty claims described in this document.

2. What Warranty Coverage Means

A warranty is a manufacturer's or seller's assurance that a product will function as intended for a specified period. During this period, RetailHub coordinates repair, replacement, or in some cases refund, for defects arising from normal use — not from misuse, accidents, or unauthorized modification.

There are two types of warranty on our platform:

- **Manufacturer Warranty:** Provided directly by the brand (common for Electronics, Laptops, Smartphones, and Appliances). Claims may require you to visit an authorized service center or can be facilitated through RetailHub.
- **Seller Warranty:** Provided by RetailHub or the marketplace seller, typically covering Furniture and select Fashion accessories (like watches and bags) for manufacturing defects.

3. Electronics Warranty

Electronics such as headphones, smartwatches, speakers, cameras, and power banks typically carry a **6 to 12-month manufacturer warranty**, covering:

- Manufacturing defects in materials or workmanship
- Battery not holding charge within the first 6 months (for products with rechargeable batteries)
- Non-functional buttons, ports, or connectivity modules under normal use

Laptops carry a **1-year standard manufacturer warranty**, extendable to 2 or 3 years through paid extended warranty plans available at checkout. Coverage includes:

- Motherboard, processor, and RAM defects
- Display panel issues not caused by physical impact

- Keyboard and trackpad malfunction under normal use
- Battery degradation beyond 20% capacity loss within the warranty period

Smartphones carry a **1-year manufacturer warranty** plus a **6-month warranty on in-box accessories** (charger, cable). Coverage includes:

- Screen malfunction not caused by drops or pressure damage
- Camera module defects
- Charging port and battery issues under normal use
- Software issues traceable to firmware, not user-installed applications

4. Furniture Warranty

Furniture items carry a **1-year structural warranty** covering:

- Frame breakage under normal household use
- Manufacturing defects in joinery, welding, or hardware
- Premature fabric wear on upholstered items (within 6 months)

Furniture warranty **does not cover** natural wood grain variation, minor color differences from product images, or wear from outdoor exposure unless the product is specifically listed as outdoor furniture.

5. Appliances Warranty

Home Appliances (refrigerators, washing machines, microwaves, air conditioners, mixer grinders) follow **manufacturer warranty terms**, generally:

Appliance Type	Standard Warranty	Compressor/Motor Warranty (if applicable)
Refrigerator	1 year	5–10 years (compressor only)
Washing Machine	2 years	5 years (motor only)
Microwave Oven	1 year	Not applicable
Air Conditioner	1 year	5 years (compressor only)
Mixer Grinder	1–2 years	Not applicable

Appliance warranty claims for compressor or motor issues typically require inspection by the brand's authorized technician, and RetailHub facilitates scheduling this visit.

6. Fashion Warranty

Most Fashion items (clothing, footwear, casual accessories) do **not** carry a running warranty beyond the return window, since these are considered consumable goods. However:

- **Watches, sunglasses, and leather bags** carry a **6-month manufacturing defect warranty** covering strap/buckle failure, lens defects, or stitching issues arising without misuse.
- Footwear carries a **90-day sole and stitching warranty** against premature separation under normal wear.

7. Warranty Exclusions

The following are **not covered** under any RetailHub-facilitated warranty:

- Physical damage from drops, spills, impact, or crushing
- Water or liquid damage, unless the product is explicitly rated water-resistant/waterproof and used within its rated limits
- Damage caused by unauthorized repair, disassembly, or use of non-genuine parts/chargers
- Cosmetic wear such as scratches, scuffs, or fading from normal aging
- Software issues caused by user-installed third-party applications, rooting, or jailbreaking
- Products used for commercial purposes when sold as consumer-grade items
- Pest damage (applicable to furniture) or damage from extreme environmental conditions

Physical Damage

Physical damage is assessed by an authorized technician or through photo/video evidence submitted with the claim. Products showing dents, cracks, liquid ingress marks, or broken internal components inconsistent with normal use will be marked "Out of Warranty — Physical Damage" and may still be eligible for **paid, out-of-warranty repair**.

Water Damage

Devices with liquid-damage indicators (LDIs) that have been triggered are generally excluded from warranty, except where the product carries an official IP-rating (such as IP67 or IP68) and the damage occurred within the rated exposure limits.

Software Issues

Software-related issues (freezing, app crashes, slow performance) are first addressed through remote troubleshooting or a factory reset recommendation. If the issue persists after a verified factory reset and is confirmed to be hardware-related, it proceeds as a standard warranty claim.

8. Warranty Claim Process

1. Locate your order in **My Orders > Warranty Claims**.
2. Select the product and describe the issue in detail.
3. Attach the original invoice (auto-fetched for RetailHub orders) and, if applicable, photos/videos of the defect.

4. Our team reviews the claim within **1–2 business days**.
5. Approved claims are routed to either:
 - An **authorized service center visit/pickup** (for Electronics, Laptops, Smartphones, Appliances), or
 - **Direct replacement dispatch** (for smaller accessories and Fashion items under warranty).
6. Track claim status under My Orders > Warranty Claims > Status.

Required Documents

- Original invoice or order confirmation (auto-linked for platform purchases)
- Warranty card, if physically provided with the product
- Serial number or IMEI (for Electronics/Smartphones)
- Clear photo or video evidence of the defect

Note: Claims without proof of purchase from RetailHub cannot be processed through our platform and must be routed directly to the brand's customer service.

9. Repair vs. Replacement

RetailHub and its brand partners determine repair vs. replacement based on the nature of the defect:

- **Replacement** is offered when the defect is identified within the first 15 days of the warranty period and a like-new unit is available in stock.
- **Repair** is the default resolution after the first 15 days, performed at an authorized service center, typically completed within 7–10 business days.
- If a product requires more than **two repairs for the same issue**, it becomes eligible for replacement or a prorated refund under our "Lemon Policy."

10. Warranty Duration Summary Table

Category	Standard Warranty	Extended Warranty Available
Laptops	1 year	Yes, up to 3 years
Smartphones	1 year	Yes, up to 2 years
Headphones/Speakers	6 months	No
Smartwatches	1 year	Yes, up to 2 years
Cameras	1 year	Yes, up to 2 years
Home Appliances	1–2 years	Yes, up to 5 years (select brands)
Furniture	1 year (structural)	No
Watches/Bags	6 months	No
Footwear	90 days	No
Sports Equipment	6 months (manufacturing defects only)	No

11. Frequently Asked Questions

Q: How do I check if my product is still under warranty? A: Go to My Orders > Warranty Claims, select the product, and the remaining warranty period is displayed automatically based on your delivery date.

Q: Is warranty transferable if I gift the product to someone else? A: Yes, the warranty is tied to the product's serial number/IMEI and invoice, not the account holder, so it remains valid regardless of who uses it.

Q: My laptop screen cracked after it fell. Is this covered? A: No, accidental physical damage from drops is excluded from standard warranty. You may be eligible for paid repair or, if purchased, coverage under Accidental Damage Protection.

Q: Can I buy extended warranty after my purchase? A: Extended warranty must typically be purchased at checkout or within 15 days of delivery for eligible Electronics and Appliances.

Q: What happens if the brand discontinues my product during a warranty claim? A: If an exact replacement is unavailable, RetailHub offers a comparable model of equal or greater value, or a prorated refund based on usage period.

Q: Do refurbished products carry a warranty? A: Yes, refurbished products carry a reduced 6-month warranty covering functional defects, clearly stated on the product listing.

12. Contacting Warranty Support

- **Warranty Helpline:** 1800-102-4050 (9 AM – 8 PM, Monday–Saturday)

- **Email:** warranty@retailhub.in
- **In-app:** My Orders > Warranty Claims > Chat with Support

Claims are typically resolved end-to-end within 10–15 business days, depending on the category and service center turnaround.
